

A blue banner at the top of the slide. On the left, there are several film strips showing various scenes. In the center, the word "PROSIGN" is written in a bold, blue, sans-serif font. On the right, there is a hand holding a clapperboard with the word "prosign" written on it in red.

PROSIGN

Company owned by the Finnish Association
of the Deaf

6 employees, 4 of them are deaf

Specialized in accessible communication

Television, video, DVD, CD-rom and Internet

We develop and research all the time new
ways to produce accessible communication.

Digital television for deaf

- subtitling
- programs in Sign Language
- sign-language interpretation box

Subtitling

- subtitling helps deaf to follow programs
- amount of subtitling increases
- live subtitling
- special applications

Programs in Sign Language

- additional channels give a possibility to send own programs in the digital television network
- more Sign Language in public channels

Sign Language Interpretation Box

- research with the Technical Research Centre of Finland
- box can be switched on and off
- size and location adjustable
- mhp-application

A blue-tinted banner at the top of the slide. On the left, there are several film strips showing different scenes. In the center, the word "PROSIGN" is written in a bold, blue, sans-serif font. On the right, there is a hand holding a clapperboard. The clapperboard has the word "prosign" written on it and some other text that is partially obscured.

PROSIGN

Thank you
